NOTIFICATION OF PREVIOUS MAILING

Dear Madam:

On February 20, 2009, attorneys for applicants mailed via First Class Mail an RCE and extension petition in connection with the above-identified application. During a routine status check, it was determined that the return postcard submitted with the RCE and extension petition had not been received by applicants' attorneys. Additionally, PAIR was reviewed to determine if the documents had been scanned and entered into the application file, and no such entries had been made. The Examiner also was contacted on April 2, 2009 to ascertain if the PTO had received the RCE and extension petition. The Examiner advised that they had not been received.

Accordingly, Applicant hereby notifies the PTO that the RCE and extension petition were timely mailed using a Certificate of Mailing. A duplicate copy of these documents is attached. Also, the relevant page from the firm's daily mail log is enclosed, with the relevant entry for this application

highlighted in yellow, signifying that the RCE and amendment extension were mailed on February 20, 2009.

Additionally, attached is a Statement attesting to Mailing of PTO Correspondence. These documents are being filed promptly after becoming aware that the PTO had not received the correspondence. It is respectfully requested that this application be forwarded to the Examiner for review and consideration of the RCE.

If there are any fees due in connection with this Notification, please charge applicants' attorneys' deposit account No. 12-1095 therefor.

Dated: April 3, 2009
